Construction Certificate Program

The Construction Certificate Program is a hands-on training program for students with disabilities. This opportunity resulted from a partnership with Nebraska VR, a Community College, local manufacturing businesses, and schools.

Students take classes, tour businesses, and either work part-time or participate in an internship with our employer partners.

How to get started:

- Meet with Nebraska VR Employment Specialist assigned to your school to fill out an application. (Scheduled through your guidance counselor or teacher.)
- Interview with employers.

To learn more about Nebraska VR, go to: vr.nebraska.gov. Find us on Facebook at: facebook.com/NebraskaVR. Contact Nebraska VR staff members at our Columbus Service Office: 877-505-0866 or 402-562-8065.
