

Work In Nebraska

Nebraska VR engages businesses to learn about your company culture and meet your hiring needs. Partnering businesses have access to job candidates from an untapped pool of job seekers.

Business Partnership Opportunities

Business Tours/Job Shadows

Introduce potential job candidates to your business through a tour or job shadow. Provide an understanding of your business, daily routines, and the skills needed to be successful on the job.

Cost to Business	Training Costs	Time Period (estimated)	Workers' Compensation, Liability, and FICA paid
